

JENNIFER L. MENDOZA

Age: 63

Occupation: Lemon Grove Councilmember/Law Library Manager

I have been honored to serve the City of Lemon Grove for the last fourteen years as a Planning Commissioner and a city councilmember. During this time, we have made some great strides. However, there is still much to be accomplished and I look forward to hearing your ideas.

I grew up in the east county, moving to Lemon Grove in 2002. I'm actively involved in numerous service clubs and projects, and manage a local food pantry. I served on the Lemon Grove Academy site council for 7 years.

I am most proud of what our city and community has accomplished in improving the health, well-being and physical activity of our residents. As a councilmember, I will continue to make our town one in which people desire to live and work. I will support continuing efforts to improve streets and sidewalks, give fire and law enforcement the tools they need to keep us safe, and improve parks and recreation facilities.

Local endorsements include Congresswoman Susan Davis, Assemblymember Shirley Weber, Lemon Grove City Councilmember David Arambula, Lemon Grove School Board members Jay Bass and Tim Shaw, and Lemon Grove Firefighters Local #2728 IAFF.

Vote for Jennifer Mendoza – “putting community first.”
